**Summer Worship** begins on **June 11**, at **9:30am**. The liturgy will be similar to the Family Worship, including a Children’s Sermon. It will be an opportunity for everyone to participate in the service with music and enthusiastic worship.

This Summer, Pastor Fretz will be leading the congregation through the issues which can cause excitement, as well as anxiety to Christians and spiritual seekers alike.

Part 1 of the series “What’s So Special about Christianity?” will go from June 11 to July 23. During these 6 weeks, we will look at the distinctive qualities of Christianity as it affects our families, our community, our nation, and our world view. We will also look at the foundations of our faith, what we believe, and why we believe it.

Part 2, from July 30 to August 20, “Living Christian,” will look into what a real Christian Life style is all about. In other words—“How do we live our lives as Christians in today’s modern world?”

Each week after worship will be “**Iced Tea Time**” under the tent in front of the church (*except on June 18—Father’s Day Pancake Breakfast*). Along with catching up with the week’s news with friends and neighbors, you can continue the discussion about the morning’s sermon with Pastor Fretz in the sanctuary.

**Please, continue your support for the Old Stone Church during the Summer months.**

Many times when we take off for vacation or attend family events on weekends, it is easy to forget something. If you are going to be away—have a great time, but don’t forget your weekly offering.

***You can even pay it forward!***
